"The girls that call into me are great, they cheer me up when I am low and take the time to make me feel I am worth knowing, which for me is a very important part to me. Nothing is ever too much of a problem. Thank you"

"Our care workers are all very caring and helpful in any way we need. They are all very friendly and easy to talk to and extremely helpful. It is always a joy to see them when they come."

"I think the service I receive from Assist Home Care is excellent and the staff are extremely nice and hard working. Many thanks"

"I would like to thank you for the carers you have sent in the past with particular mention of Sandy who came to help with lunches and who was extremely kind, considerate and caring both to my parents and also to me."

"I have been very impressed on the whole with the care that we have received from you all, especially Tom whose standard and thoughtfulness I felt was especially high"

"I would like to thank you for the care you have given dad particularly over the past year since his wife died; I know that he was particularly fond of Maureen and sure he will miss her"

Caring for a loved one with a health, learning or physical disability cannot always be easy.

Their needs can often be complex and changing, which makes trying to keep up quite difficult.

Assist Home Care are here to help you as well as our clients so you can all enjoy life.
